The story

When Nehemiah heard that Jerusalem's walls were broken and its gates burned, he sat down and wept, and he prayed. God gave him favor with the king, and Nehemiah went to rebuild. Enemies like Sanballat laughed and threatened, but the people worked with a tool in one hand and a sword in the other. They finished the wall in just 52 days (Nehemiah 2-6).

For ages 6-9

1. What did Nehemiah do first when he heard the bad news?
2. How many days did it take to build the wall?
3. What is something your family can build or fix together?

For ages 10-14

1. Why did each family build the part of the wall by their own house?
2. People laughed at the builders. How do you keep going when people make fun of you?
3. "The joy of the LORD is your strength." How can joy make you strong?

Family challenge
